ABHIRAM V

Computer Science and Engineering Student | Skilled in Web Development, Data Science & Cloud Foundations

Shivamogga , Karnataka | abhiramvsmg@gmail.com | in/abhiram-v-4a0055284 | github.com/abhiramvsmg

SUMMARY

B.Tech Computer Science and Engineering student with skills in Web Development, Data Science, Python, and Cloud Foundations, experienced in projects and internships with a focus on practical problem-solving. Strong academic record with proven teamwork in building applications and research-based projects. Passionate about applying technology to create efficient, user-friendly, and impactful solutions

TECHNICAL SKILLS

Programming Languages	Web Technologies	Cloud & Data Science
Python, Java	HTML, CSS	Data Analysis
C++ , C	JavaScript	Machine Learning

PROFESSIONAL EXPERIENCE

Intern – Zephyr Technologies (May 2025 – June 2025)

- Researched and analyzed heart disease datasets.
- Applied machine learning algorithms to monitor and predict heart disease.
- Gained hands-on experience in data preprocessing, training, and evaluation.

Project – Farmers Mobile App (Oct 2024 – Nov 2024)

- Collaborated in a 3-member team to design and develop a user-friendly mobile app.
- Focused on creating an optimized interface tailored for farmers and common users.
- Implemented features to improve accessibility and usability.

EDUCATION

Pre - University — May 2020 - April 2022
Sri Adichunchanagiri Independent PU College — 90%

Bachelor of technology — Nov 2022 - Present
B-tech in Computer Science — 8.5 CGPA

ADDITIONAL INFORMATION

- **Languages:** English, Kannada, Hindi.
- **Certifications:** AWS Academy Graduate- AWS Academy Cloud Foundations (January 2025 - February 2025) Python Programming (July 2023 - August 2023) ELT - Certificate Of Energy Literacy (July 2024 - August 2024) Data science by zephyr technologies (May 2025 - June 2025)
- **Hobbies** : Playing Cricket and Football
- Listening to Music
- Traveling & Exploring new places
- Reading Technology Blogs
